(b) the details of assessment of disbursement of loan on the living conditions of women?

THE MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (SHRIMATI SUMITRA MAHAJAN): (a) The quantum of loan disbursed from the Rashtriya Mahila Kosh to women, till date, since its inception, year-wise, in Gujarat is as follows:—

1993-94	Nil
1994-95	Nil
1995-96	Rs. 7.50 lakh
1996-97	Rs. 6.50 lakh
1997-98	Rs. 40.50 lakh
1998-99	Rs. 10.00 lakh
1999-2000	Rs. 3.00 lakh
2000-2001 (upto 31st October, 2000)	Nil
TOTAL	Rs. 67.50 lakh

(b) Women are availing loans for income-generating activities and repaying the loan and the interest thereon out of surplus income generated from such activities.

An evaluation sponsored by Rashtriya Mahila Kosh based on functioning of 14 NGOs till 1997-98 indicated some positive impacts of the loans on the borrowers but had opined that the time since the borrowers have received Rashtriya Mahila Kosh loans has not been sufficiently long to look at the aspects of how the borrowers have utilized the income generated and how they have improved their own and their families' nutritional status, access to food, health, education and literacy efforts.

A National level assessment of the impact of disbursement of loan on living conditions of women has been commissioned in March, 2000 by Department of Women and Child Development.

Kendriya and Navodaya Vidyalayas in Gujarat

1362. SHRI BRAHMAKUMAR BHATT: Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) the number of Kendriya Vidyalayas and Navodaya Vidyalayas functioning in Gujarat, location-wise;

(b) whether all these Vidyalayas have been provided the necessary infrastructure; and

(c) if not, the reasons therefor and by when they would be provided the same?

THE MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (SHRIMATI SUMITRA MAHAJAN): (a) A list of KVs and NVs sanctioned in Gujarat is given in the statement (*See* below)

(b) and (c)

Kendriya Vidyalayas

Most of the Kendriya Vidyalayas in Gujarat have been provided the necessary infrastructure. Only, in respect of 10 Vidyalayas construction work is either under progress or under plan.

Navodaya Vidyalayas

Initially a JNV is established in a temporary building offered by the State Government till Samiti constructs its own vidyalaya complex at the permanent site. Out of 16 JNVs sanctioned in the State of Gujarat, construction has been sanctioned in 13 JNVs. Award of construction work in respect of JNV at Distt. Bhavnagar is under process. Construction works could not be sanctioned in respect of JNVs at Distt.'s Vadodara and Gandhi Nagar due to non provision of land by the State Government.

The building works alongwith development works including necessary infrastructures are sanctioned in phases after transfer of suitable land by the concerned State Government and subject to availability of financial resources. Wherever the construction of permanent campus of JNVs have been taken up, necessary infrastructures including buildings, water supply, sewerage, storm water drains, over head tank, electric sub-station, street lighting etc. are being provided.

Statement

List of Kendriya and Navodaya Vidyalayas in Gujarat

15.	Gandhi Nagar
16.	Banaskantha

Percentage of GDP spent on education

1363. SHRI NARENDRA MOHAN: Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether it has been repeatedly said that India should spend 6 per cent of its GDP on education, but we are nowhere near that figure;

(b) if so, what percentage of GDP India is spending on education; and

(c) whether Government are thinking of achieving the target of 6 per cent and if so,what is the time- frame for that?

THE MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (SHRIMATI SUMITRA MAHAJAN): (a) to (c) The National Policy on Education had laid down that the investment on education be gradually increased to reach a level of 6 per cent of Gross Domestic Product as early as possible. However, in spite of repeated reiteration of this objective, allocations upto this level could not be made due to competing priorities and overall resource constraints.

Government expenditure on education as a percentage of Gross Domestic Product is 3.77% in 1998-99. The Government is committed to raising the total resource allocation for education to Six per cent of Gross Domestic Product (GDP) in a phased manner.
